## DANVILLE HIGH SCHOOL • CLASS OF 2017

### from the principal

Danville Viking Families:

We decided to have one final newsletter as we had much to celebrate! We couldn't be more proud of our seniors for the scholarships that they received, the recognition that they gave to one another, and the leadership displayed. We wish them the best of luck in their new endeavors.

We are thankful for the support that we have received from our community and are looking forward to the future work ahead. The active involvement from partnerships with our community further solidifies our mission: Danville High School promotes school success and nurtures life-long learners through rigor, relevance, and relationships. We do feel that relationships are the first step and welcome all as they enter the doors of Danville High School.

It has been exciting to see our staff, students, and parents at recent forums to voice what they feel is best for Danville High School. I thank you for that and look forward to continued forums as we maximize the success of each and every student. Thank you for being a positive partner and ambassador for Danville High School.

Have a safe and enjoyable summer!

Sincerely,

Kimberly Norton, Principal
